

SUMMER CAMP

Nature. Play. Wonder. All Summer Long.

Join us for a magical summer of outdoor exploration at Wild Wander Forest School! Our nature-based camps invite children to slow down, tune in to the rhythms of the land, and experience the joy of learning through play and discovery.

6 Weekly Sessions

Choose individual weeks—or join us for the full series!

Dates:

June 16th – Aug 14th

Locations:

Lake Calavera Trails (Carlsbad)

Each Week Includes:

Nature hikes, sensory play & storytelling

Seasonal crafts & hands-on activities

Open-ended exploration & imaginative games

Space for joy, movement, and connection

Ages: 2.5 – 9

Half-day & full-day options available

@WILDWANDERFORESTSCHOOL

Wild Wander Forest School is a true forest school—fully outdoors and nature-immersive. Rooted in respect for the land and natural rhythms of childhood, our days are spent outside where kids play, explore, and learn hands-on with the seasons.

We nurture curiosity and build resilience, wonder, and a sense of belonging in the natural world.

At Wild Wander Forest School, we take a project-based, play-based, and child-led approach to learning. Guided by curiosity and individual interests, children explore topics that matter to them, while educators act as supportive guides.

Our outdoor environment acts as a “third teacher,” encouraging creativity, collaboration, and hands-on discovery through building, movement, storytelling, and more.
